

Word Wizard

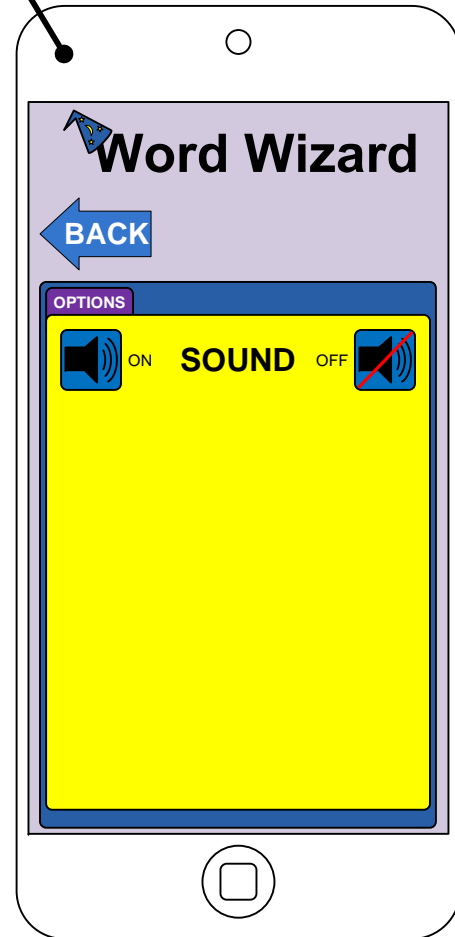

How To Play:

Download the 'Word Wizard' application for free from the App. Store.
After 'Word Wizard' is downloaded to your device, click on the 'Word Wizard' icon.
Connect to your Facebook friends.
Click the 'START A NEW GAME' icon.
Click on the friend's name who you would like to challenge to a game.
The 'Word Wizard Help Screen' will then appear.
-Click on the 'HOW TO PLAY' button to read instructions.
-Click the 'Star Help' icon(s) you would like to use (cost is 1 star each) for a description of each 'Star Help'.
-1 star will automatically regenerate every 15 minutes.
-Can purchase another row of 10 stars for \$0.99.
-Can purchase faster star regeneration time (5 minutes) for \$0.99.
After 'Star Help' has been chosen, choose 'CLICK HERE TO START'.
The 'Word Wizard Play Screen' will then appear.
8 letters will automatically be populated and appear at the bottom: those are your play letters.
-Both players will be given the same letters in the same order.

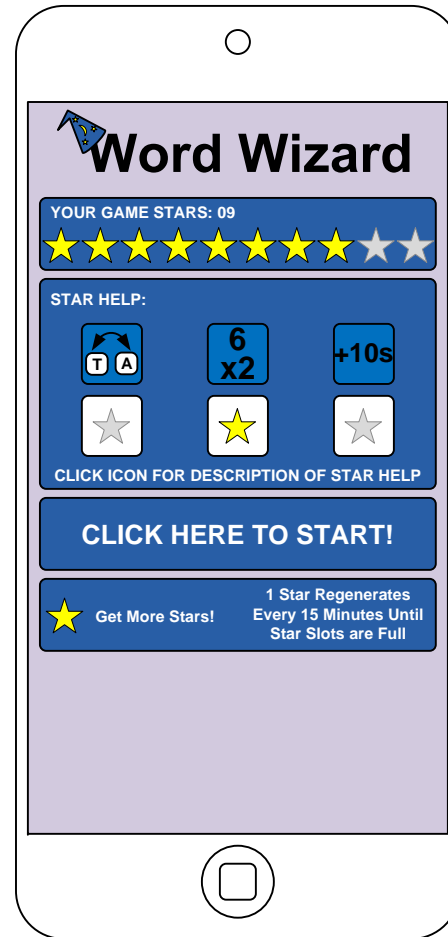

How To Play (continued):

Drag and drop 2 or more letters into the play row and click the 'SUBMIT' button after each word.
-After the 'SUBMIT' button is pressed, the letters will automatically go back to the bottom.
Non-words will not be counted. 2 letter words are worth 2 points, 3 letter words are worth 3 points, etc.
Each player is given 1 minute and 30 seconds to submit as many words as possible.
-The accepted words submitted will appear at the top of the screen: scroll to the right to see all words.
After the time expires, the player will be taken to the 'Word Wizard Game Statistics' screen.
-Players can chat with each other and send emoticons.
The player with the most word points when the time expires is the winner.
Each player is given 3 rounds to get the highest number of points.
The person with the most word points at the end of the 3 rounds wins.
After the 'Word Wizard Game Statistics' screen has been viewed, the player will be taken back to the 'Word Wizard Game Status' screen.
